Mr. Else gave the boards the following options for a Supt. search if the need would occur, share the position with another district for one year, search for a one-year interim through a search process, or conduct an expedited Superintendent search in May if the need would occur.

Guidelines and characteristics for a new Superintendent were identified for a possible search.

The consensus of the two boards was to advertise for a potential interim Superintendent for one year.

There being no other business, the boards thanked Dave Else for taking the time to meet with the boards on such short notice. Motion by DeLance, seconded by Toft to adjourn the session at 8:05 p.m.
