

## Gerald McDermott Memorial Scholarship

Gerald was a devoted husband to Beth and father to Rachel, Alissa, and Sarah. He also devoted his professional life as a PE teacher at Wilson Middle School in Cherokee. He loved spending his free time outdoors hunting and fishing with family and friends. He was a member of the Cherokee Co. Conservation board and worked hard on the family farm to attract and provide a haven for pheasants and other wildlife. He left a legacy of good stewardship for others to follow and enjoy. Gerald passed away at the age of 43 from AML Leukemia on Oct 5, 2006. This scholarship is a way to remember him, his love for the outdoors, and for his legacy to be carried forward.

Scholarship amount is to be determined, to assist in covering cost of books. More information will be provided directly to selected recipients.

Students who are interested in going into the conservation field are encouraged to apply.
