~ Jackie Wandrey

“It’s a great feeling dropping our girls off and knowing that they’re excited about their day at daycare! Sad for us though that they’d rather be at daycare playing with their friends than at home with boring ‘old mom and dad...’” ☺

About Us:

The Wee Wildcat Daycare is located within the school and serves children 6 weeks to school age. We have a variety of planned activities daily. We also eat meals prepared by the school. The Wee Wildcat daycare is a state licensed daycare and participates in the Quality Rating Scale. We also accept Child Care Assistance.

If your child attends the 3 year old program, this is a great opportunity to utilize our daycare. Feel free to ask your teacher about this or stop by our daycare room!

“Our daycare staff works hard to provide multiple learning opportunities that will positively impact the students involved for years to come by supplying them with the foundation they need to be successful.”

~ Mr. Mozer, Elementary Principal
