Dear Parents,

The state of Iowa is providing free binaxcovid (COVID-19) testing for students in Galva-Holstein and Schaller-Crestland Schools. This free test is only available at Sioux Valley Health in Cherokee.

Before your child can be tested, one of our school nurses will need to fill out a form to indicate all the symptoms your child is having. The form will be sent home with your child. Parents can then call Sioux Valley Health to make an appointment. Sioux Valley Health is open 8:00 a.m. - Noon and 1:00 - 5:00 p.m.

Don't hesitate to contact us if you have any questions.

Sincerely,

Jon R. Wiebers
